RE: Kingsley Willis Hughes Mining
UMC Claims
DOE/027/007
Millard County, Utah

Dear Mr. Hughes:

The Division of Oil, Gas and Mining is in receipt of the Declaration of Exemption (MR Form 4) filed by Kingsley Willis Hughes Mining for the UMC Claims in Millard County. When time permits, members of the Division staff will visit the area to look at your mining activities.

Should you plan to exceed the two acre limitation for surface disturbance within a 12 month period, please advise the Division at least six (6) months prior to the proposed expansion so that the required mining and reclamation application may be filed and processed with a minimum of delay. If you have any questions, please call.

Sincerely,

JAMES W. SMITH, JR.
